

What's covered under the CarMark Certified Warranty Program?

All components listed are covered for 6-months or 6,000 miles.

ENGINE: Gas/Diesel – All internally lubricated parts within the engine plus the engine mounts, flex plate, flywheel and ring gear, harmonic balancer, intake and exhaust manifolds, oil dipstick and tube, oil pump, oil pump drive sprocket. The cylinder head, engine block, oil pan and valve covers are only covered if damaged by and internally lubricated part.

TURBO/SUPERCHARGER: All internally lubricated parts. Housing is only covered if damaged by an internally lubricated part.

AUTOMATIC TRANSMISSION: All internally lubricated parts, torque converter, transmission mounts, vacuum modulator, all gears, governor, oil pumps, clutch plates, shafts, internal valves, rings, servo units, friction and steel drums, bearings, and bushings, bands. Transmission case is covered if damage is due to the failure of an internally lubricated part.

MANUAL TRANSMISSION: All internally lubricated parts, all gears, all bearings, main drive gear, internal shifting components, synchronizing drum, shafts and spacers, main shaft, bushings, Transmission case is covered if damage is due to the failure of an internal lubricated part.

DRIVE AXLE ASSEMBLY (Front & Rear): All internally lubricated parts within the drive axle housing plus the center carrier bearings, constant velocity joints, double offset joints, drive shaft/yokes, locking hub mechanisms, propeller shafts, and universal joints. The drive axle housing is only covered if damaged by an internally lubricated part.

TRANSFER UNIT: All internally lubricated parts within the transfer case, Transfer case is only covered if damaged by an internally lubricated part.

BRAKES: Master cylinder, brake booster, wheel cylinders, hydraulic lines and fittings, clippers, rear actuators, ABS sensors, and ABS pump.

STEERING: Power steering pump, rack and pinion, and all internally lubricated parts within the rack and pinion assembly. The steering box is only covered damaged by an internally lubricated part.

ELECTRICAL: Starter motor, starter solenoid, starter drive, alternator, voltage regulator, ignition module, cam sensor, engine control computer, wiper motor, washer motor, analogue gauges, electrical manual switches, electronic instrument cluster, electronic ignition management controls, electronic fuel management controls, power window motor, power door lock actuators, power sunroof motor, cruise control servo, cruise control module, power seat motor, power antenna motor, and power mirror motor.

AIR CONDITIONING AND HEATING (Factory Authorized Only): Accumulator, compressor, compressor clutch, compressor pulley, condenser, evaporator, expansion valve, high/low cut off switches, orifice tube, and receiver/dryer.

FRONT AND REAR SUSPENSION: Ball joints, struts, spindles, upper and lower control arms, and wheel bearings.

FUEL SYSTEM: Fuel injection pump, fuel injectors, metal fuel lines, and primary fuel pump.

COOLING SYSTEM: Blower motor, cooling fan clutch, cooling fan blade, cooling fan motor, heater core, radiator, and water pump.

SEALS & GASKETS: Seals and gaskets on all components listed above are covered.

RENTAL CAR COVERAGE: Provides reimbursement for costs associated with temporary replacement transportation resulting from a covered repair that requires extended labor time.

TRIP INTERRUPTION: Provides reimbursement for food/lodging if a covered component fails outside of a 100 mile radius of your home.

24-HOUR ROADSIDE ASSISTANCE: Provides emergency vehicle services such as fuel, tire changes, battery service, and locksmith service.
